**Why:** Arizona Small Dog Rescue is a nonprofit registered 501(c)3 no kill rescue shelter. We are a group of volunteers who have dedicated our lives to rescuing and saving homeless, unwanted, abandoned, neglected, and abused small dogs and cats too. We save most of our animals from kill shelters around the valley, but also accept owner surrenders and stray surrenders. Owner surrender fees vary depending on space and availability. We spay/neuter, vaccinate, medically examine, microchip, and evaluate and/or socialize all dogs and cats that come into our rescue before placing up for adoption to prescreened homes. We rescue many dogs and cats every week and always have a wide variety of personalities and breeds available who would be a perfect fit for any family and any home.
